

OPC DAY EUROPE 2014

IT meets Automation

May 14./15. 2014 hosted by Festo Germany

HOSTED BY:

FESTO

SPONSORS OF OPC DAY:

ABB

Allmendinger

ascolab

BECKHOFF

CERTEC

elster
Kromschroder

Fraunhofer
IOSB-INA

HARTING

HB-SOFTSOLUTION

iconics

InduSoft
Web-Ready

OPC
Labs

OPTO 22

kepware

MatrikonOPC

PROSYS OPC

SAP

SIEMENS

softing

TREBING HIMSTEDT

Unified
Automation

ZWAV

MAY 14TH

14:00 Registration, Open Conference, Welcome

14:15 **Keynote**

→ Industrie 4.0 – the new production paradigm based on standards

Prof. Dr. Dr. Detlef Zühlke, Scientific Director Innovative Factory Systems (IPS), DFKI

18:30 Welcome evening (Exhibition, meet sponsors / Guided company tour at Festo)

21:00 End Day 1

MAY 15TH

09:00 Start Day 2

14:00 End Conference

PRESENTATIONS:

→ Semantic interoperability for Plug-and-Work-functions in Industrie 4.0 – the combination of OPC-UA and AutomationML as industrial standards for interoperability

Dr. Sauer, Fraunhofer Institut IOSB

→ Festo – we multiply OPC UA!

Dr. Michael Hoffmeister, Festo

→ Horizontal: M2M and Internet of Things heavily reduced costs in water treatment

Silvio Merz, ZWAV

→ IT meets Automation – What does this mean for SAP? Today's capabilities and future direction

Rüdiger Fritz, SAP

→ Identification: Applications and mapping of RFID to OPC-UA

Dr. Jan Regtmeier, Harting

→ Smart Metering: Measurement information from sensor into billing systems

Carsten Lorenz, Elster

→ Vertical: UCM plus OPC-UA: The new "USB connector" for MES systems

Angelo Bindi, Conti Teves

→ SOA enabled PLC: Remote Service execution into the IEC61131-3 controller

Stefan Hoppe, BECKHOFF Automation

→ OPC-UA: Technical Update | Status of adoption and collaboration in the world

Thomas Burke, President OPC Foundation | **Matthias Damm**, Ascolab

→ OPC-UA on browser based mobile devices

Matthias Freund, TU Dresden

→ OPC-UA to connect automation systems with the cloud

Dr. Johannes Schmitt, ABB

How to find us:

14.05.2014: OPC-UA Preconference 10.30 h – 13.00 h.

- Are you interested in a free of charge pre-conference to learn about the basic technology and benefits of OPC-UA technology?
- In case you are not familiar with OPC-UA technology make use of this technical introduction starting from scratch – a perfect preparation for the main conference.

Pre Seminar speakers:

- **Peter Seeberg**, Softing
- **Uwe Steinkrauss**, Unified Automation
- **Yvonne Neumann**, Matrikon-OPC

LIKE TO JOIN?

- Make reservation by sending an email to stefan.hoppe@opcfoundation.org
